

Altum Launches UK Subsidiary

Reston, VA, March 30, 2009 – Altum, Inc., an international leader in grants management and performance management solutions, today announced that it has created a UK subsidiary called Altum UK Limited.

“We decided to set up a subsidiary to simplify the management of our European projects and provide a launching pad to continue our expansion throughout Europe,” said CEO Steve Pinchotti. “The demand for our industry-leading grants management products and services continues to fuel our growth and we’re excited about the opportunity to work with new customers in the UK.”

Altum provides industry-leading grants management, knowledge management and performance management solutions. Since 1997, Altum has provided innovative software products and services to philanthropic and government organizations. Altum’s products include proposalCENTRAL® an online grant-making website shared by many government, non-profit and private grant-making organizations; Easygrants®, a highly configurable e-Grants solution that meets the unique needs of grant-making organizations; and Infor PM, the industry-leading performance management solution ranked #1 by Ventana Research in 2005, 2006 and 2007. Altum is proud to have made the Inc. 5000 list in 2008.

Founded in 1997, Altum is a privately held corporation headquartered in Reston, VA, just outside Washington, D.C, with additional locations in Bethesda, MD, and London, UK.
